TASK 4

PART A – EMAIL ETIQUETTE

1.

Subject: Request for extension of Biophysics Assignment-2 submission

Dear Professor,

I, Kavya Sarojini, Registration Number – 23BOE10486, am writing this email to respectfully request an extension deadline for the Biophysics Assignment -2, which is due tomorrow. Unfortunately, I've been dealing with a health issue over the past few days, which has made me fall behind on my classes, and as a result, I was unable to finish the assignment. I kindly request that you extend the deadline by a few days so that I can complete the assignment and submit it. I sincerely apologize for any inconvenience caused. I can send you the medical certificate if required.

Thank you for your time and for considering my request.

Yours respectfully,

Kavya Sarojini

Subject: Interest in Summer Internship Opportunity

Dear Hiring Team,

I hope you're doing well. My name is Kavya Sarojini, and I'm a first-year student studying B. Tech Mechanical Engineering at SRM University, Chennai. I'm reaching out to express my interest in a summer internship opportunity at Larsen and Toubro. I'm particularly drawn to this company because of its commitment to precision manufacturing, which has a huge impact in the industry. I believe an internship here would be an excellent fit with my academic background, where I've been building a strong foundation in CAD/SolidWorks and thermodynamics & fluid mechanics.

I'm eager to gain hands-on industry experience and contribute meaningfully to your team. I've attached my resume for your reference and would love to discuss any available summer internship openings at your convenience.

Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,

Kavya Sarojini
